

# Progress versus choice?

## Results

In groups, 29 residents discussed and decided **which areas they want us to make the quickest progress**, and which they would like us to **take longer to maximise the level of choice**, for the six areas of procurement outlined.

Quickest progress	1	2	3	4	5	Maximum choice
Principal designer (Health and safety)					4.6	
Fire risk assessments					4.5	
Technical leads			3.1			
Heating designers				3.6		
Door entry designer			2.5			
Building contractors				4		

# How much engagement?

## Results

In groups, 29 residents discussed and decided **how engaged** they want to be for the six areas of procurement outlined.

<b>A little engagement</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>Maximum engagement</b>
Principal designer (Health and safety)					<b>4.6</b>	
Fire risk assessments				<b>4.3</b>		
Technical leads				<b>3.8</b>		
Heating designers				<b>3.8</b>		
Door entry designer		<b>2.8</b>				
Building contractors				<b>4.3</b>		

# Residents would like a high degree of choice and engagement through the procurement of all suppliers
