244 Acklam Road W10 5YG
Open Monday to Friday 10am to 5pm

Covid-19 Response Volunteers

Volunteers are required for

practical support such as delivering food or other supplies, dog walking

emotional support (via telephone calls etc) particularly to vulnerable people – predominantly elderly – who will be self-isolating

expectation is the peak will begin around 9th April

distribution centres will be staffed to strictly manage infection control but this may change if staffing is significantly affected

Covid-19 Response

Fundraising

We don't yet know the full scale of the outbreak and its impact. It is hard to predict what funds will be required. There are therefore running two fundraising campaigns

A [fundraiser for older people](#) with a target of £50k

A [fundraiser](#) for everyone else who may be affected with no target set at this stage.
