

# COME & TALK TO US

Do you live in Notting Dale and  
want to get involved in shaping the  
future of the local area?

Then come along to

## The Notting Dale Forum

**Date:** Wednesday 26 September

**Time:** 7pm to 9pm

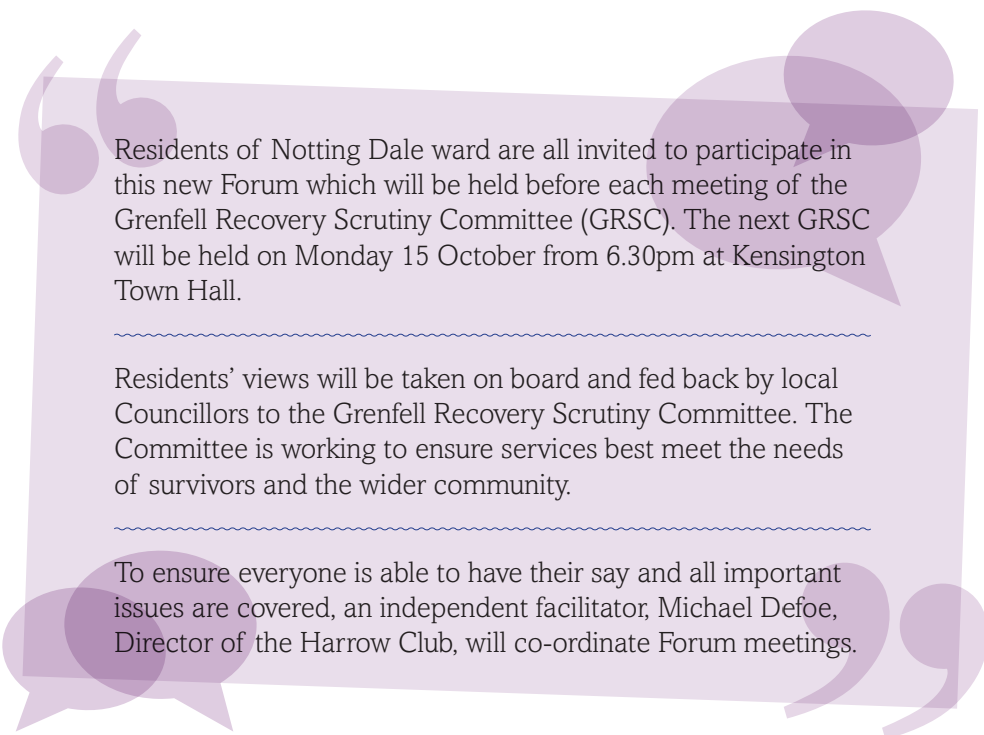

**Where:** The Harrow Club,  
187 Freston Road, London W10 6TH

**The Notting Dale Forum provides an opportunity for any resident from Notting Dale to have their say about:**

- **Existing and future local services**
- **What local people value most about the area**
- **What changes and improvements might be welcomed over the coming years; and**
- **How residents might want to stay involved.**

At this meeting of the Forum, residents will have the chance to discuss which local organisations should be nominated to fill the four co-optee places on the Grenfell Recovery Scrutiny Committee.

Notting Dale Councillor Robert Atkinson will be chairing the Notting Dale Forum and will be happy to take questions on any important topics that residents wish to discuss.

Residents of Notting Dale ward are all invited to participate in this new Forum which will be held before each meeting of the Grenfell Recovery Scrutiny Committee (GRSC). The next GRSC will be held on Monday 15 October from 6.30pm at Kensington Town Hall.

Residents' views will be taken on board and fed back by local Councillors to the Grenfell Recovery Scrutiny Committee. The Committee is working to ensure services best meet the needs of survivors and the wider community.

To ensure everyone is able to have their say and all important issues are covered, an independent facilitator, Michael Defoe, Director of the Harrow Club, will co-ordinate Forum meetings.
